CITY OF RIPON

RESIDENTIAL PARKING PERMIT PROGRAM POLICY

PROGRAM OVERVIEW

The City of Ripon, along with many other cities, faces the on-going challenge of providing adequate on-street parking for both residents and visitors. Some residential areas are subject to a shortage of on-street parking spaces caused mainly by all-day or extended, on-street parking by non-residential visitors who access regional recreational areas, public educational campuses, and other public venues. Similar to the practice in other cities, the City of Ripon established a Residential Permit Parking Program in 2016 in an effort to alleviate this problem.

Residential Permit Parking is appropriate in those areas impacted by non-residential parking and where off-street parking is not adequate.

The Ripon City Code that outlines the Residential Parking Permit Program is found in Chapter 10.58 of the Ripon Municipal Code.

PERMIT REGULATIONS AND VIOLATIONS

Regulations

- **OUTSTANDING PARKING CITATIONS**

All outstanding parking citations must be cleared before any residential permits are issued. A temporary permit will be issued until the citations are cleared.

- **DO NOT PARK MORE THAN 3 CITY BLOCKS FROM THE PERMIT ADDRESS**

Vehicles with permits may not park more than three (3) city blocks from the address where the permit is registered, regardless if the vehicle is still parked within the same permit area. For example, if Area Z consists of 5 city blocks, permit holders still need to stay within 3 blocks from the registered permit address in Area Z.

In addition, if you are parked within (3) city blocks from the registered permit address but on a street which is not part of the Residential Permit Parking zone, you must abide by the posted regulations to avoid a citation.

- **AREAS WITH POSTED STREET CLEANING REGULATIONS**

All parking is prohibited on the days and hours posted for street cleaning. Residential permit holders are not exempt from posted street cleaning regulations and must abide by these regulations. Citations will be issued for permit vehicles parked during street cleaning times and dates. Street cleaning applies only to the side of the street where the regulation is posted.

- **ENFORCEMENT HOURS**

Most permit parking areas are enforced 8:00 AM to 6:00PM Monday through Saturday. Check the parking signs for enforcement hours in your neighborhood.

- **RENEWAL OF PERMITS**

It is the resident's responsibility to renew prior to the expiration date indicated on the permit(s) or on the Renewal Schedule. There is a ten (10) day grace period after the expiration of each renewal period. The process to renew a permit is the same as applying for a new permit.

- **DISABLED PLACARDS AND DISABLED LICENSE PLATES**

Vehicles with valid Disabled Placards or Disabled Person license plates are exempt from Residential Permit requirements and do not need to display a residential permit.

- **72-HOUR PARKING CODE ORDINANCE**

Vehicles are not allowed to park on the street, in the same location, for more than 72 hours per City of Ripon Municipal Code 10.40.060. Vehicles with Disabled Placards or Disabled Person license plates are also required to abide by this code.

- **NON-MOTORIZED VEHICLES (i.e. trailers, campers)**

Non-motorized vehicles are not eligible for parking permits unless the non-motorized vehicle is attached or hitched to a motorized vehicle displaying a valid permit.

Recreational Vehicles may be parked in front of the residence of the registered owner. A home owner's guest may also park in front of the residence by obtaining a permit. In both instances, the Recreational Vehicle owner must comply with Chapter 10.56.060 of the Ripon Municipal Code.

- **MOVING TO ANOTHER ADDRESS WITHIN THE SAME PERMIT AREA**

Residents are responsible for notifying Parking Services of any new address change and provide proof of the new residence. This includes moves to a new apartment within the same complex. Failure to notify of a change may result in revocation of the permit without warning.

Violations

All permits are the property of the City of Ripon and are non-transferable. Pursuant to the City of Ripon Municipal Code 10.58, the following are violations which may result in revocation of the permit and/or payment of fines:

- Parking more than 3 city blocks from the permit address (Residential, Visitor or Temporary)
- Use of a permit to park near one's place of education or Employment
- Falsely furnishing information or falsely representing oneself as being eligible for a parking permit
- Allowing someone to use the permit for commuter purposes
- Selling, transferring, exchanging or producing copies or replicas of a permit.

Residents who are subject to revocation of a permit will not be eligible to reapply for another permit until the next renewal period for their permit area.

To report permit misuse, call the Police Department at 209-599-2102.
